“[Kevin] Helped take our TV series concept from the napkin sketches we showed him... to a complete series bible and pilot script... taken seriously by all majors at MIP-TV. Kevin lends a calm professionalism to a usually tense creative process.”

**Josh Prikryl**  
former **Vice President of Overseas Production**  
**Mike Young Productions**

Hard working and dedicated, Kevin is known for his creativity and high integrity. His experience working with producers and studio executives makes him ready to step into your production, capable of quickly learning anything new. Kevin's skills in production software include Photoshop, Final Draft, Filemaker Pro, and all Microsoft Office programs. User experience with MMOGs, such as World of Warcraft.
